## Walnut Hills Dumpster Day and Electronic Recycling October 8th

Andrea Suhaka, Chair, WHCA, 303-770-0058, [standy@ecentral.com](mailto:standy@ecentral.com)

The Walnut Hills Civic Association is sponsoring our final Dumpster Day of 2016 on October 8th, 8 - 11 am or when the trucks are full, at Walnut Hills School. This Dumpster Day includes electronic recycling, as well. (If an item has a battery or plugs into the wall, it's illegal to dispose of it in the trash, it must be recycled.) Blue Star Recycling will again be with us for that purpose and The Garbage Man will do the dumpster part. We'll also have Brookë, our metals guy, in attendance. Just so everyone knows, this one event cost the WHCA about \$4,000 last year. Your annual dues of only \$25 do work for you!

Dumpster guidelines: no brick or cement, or heavy materials like that, may be dropped off; we reserve the right to charge extra (\$10) for extra large loads or trailers. We take pretty much everything after that. If you have a question if something can be "dumped", please, contact Donna Senn at 303-741-2065.

Electronic Recycling guidelines: (FREE) only the part with the electronics, i.e., no enclosures around the electronics (ex., just the TV part of a console TV). The dumpster will take the rest. If it plugs into the wall or has a battery it goes to electronic recycling. Yes, curling irons, all computer equipment (I recommend you take out the hard disk and smash it), electric fans, TVs, wiring,

calculators, cameras, microwaves, etc. This is an easy way to do your part for the environment. For questions about electronic recycling, contact me. Everyone will line up in the same line, not before 7:30am to respect the neighbors. When Donna Senn or I come down to check your membership, vehicles with only electronics will be let through separately.

As always, you must be a member of the WHCA to take part in this event. You may go to [www.walnuthillscolorado.org](http://www.walnuthillscolorado.org), click on Dues/Scholarship to pay your dues by credit card or send in the form you received in February or on our website. Any dues transaction must be done by Thursday, October 6th.

## Walnut Hills Holiday Lighting Contest

Andrea Suhaka, Chair, WHCA, 303-770-0058, [standy@ecentral.com](mailto:standy@ecentral.com)

The Holiday Lighting in Walnut Hills makes the neighborhood a beautiful, magical place to be. We love to see the creativity that goes into the lighting displays.

To that end, again, the Walnut Hills Civic Association is sponsoring its' annual Holiday Lighting contest. Winners are chosen from those who are paid members of the WHCA and there are cash awards: \$100 - first place, \$75 - second place, \$50 - third place. We do like to spread the awards around, so we will not count those who have won in the past 5 years.

A judging team of WHCA Board members will survey the neighborhood during the week of 19 December. Please, turn on your displays that week to be included in the judging.

## Walnut Hills Movie Night January 28, 2017

Andrea Suhaka, Chair, WHCA, 303-770-0058, [standy@ecentral.com](mailto:standy@ecentral.com)

The Walnut Hills Civic Assoc. will again be sponsoring Walnut Hills Movie Night. The film will be "Finding Dory" and it will be held in the Walnut Hills School gym. This is at no charge to the neighborhood.

This event will be 3:30-5pm. All Walnut Hills residents are welcome, parents and/or grandparents must accompany children. Enter through the front door of the school. Barring a blizzard, this event

will happen rain or snow. Please, bring a blanket for your child(ren) to sit on the floor. We will have chairs for adults. Questions? Contact Robert Ferrin (303) 704-1376

## Arapahoe Construction Update

Despite the myriad cones, barrels and traffic shifts experienced by drivers along the I-25 and Arapahoe Road corridor over the past five months, the project team has accomplished a lot to date and remains on schedule and within budget.

Some of the major accomplishments to date include:

- Phase 1 (majority of northbound portion) of I-25 bridge completed four months ahead of schedule
- Demolished Phase 2 (remainder of northbound and part of southbound) of I-25 bridge
- Traffic shifts on I-25 and Arapahoe Road including the most recent lane realignment on northbound I-25
- Various utility relocations
- Retaining wall work
- Early benefit - opened an additional left turn lane from the southbound I-25 off-ramp to eastbound Arapahoe Road
- Realigned new South Alton Way providing improved access to businesses in northeast quadrant.

Here is what you can expect in the fall/winter of 2016:

- Set Phase 2 I-25 girders late October followed by deck pour requiring various overnight closures
- Phase 3 (remainder of southbound portion) of I-25 bridge demolition this winter requiring a full weekend closure of Arapahoe Road beneath I-25
- Sound wall construction along Arapahoe Road and Yosemite Street
- Continuous utility relocations and wall work
- Roadway reconstruction work on the south side of Arapahoe Road
- Minor shift westbound Arapahoe between Boston Street and northbound I-25 on-ramp.

We encourage you to watch for regular construction update emails for the most up-to-date information. If you haven't already, please sign up by emailing [dot\\_i25arapahoe@state.co.us](mailto:dot_i25arapahoe@state.co.us).

### Briarwood Boulevard Water Main Break

A few of our neighbors were in for quite a shock a little before six in the evening on Thursday, July 21. They turned on their water to find it dirty, brown, or barely coming out of the faucet. A water main broke beneath Briarwood Boulevard between Uinta Street and Valentia Street. Arapahoe County Sheriff, South Metro Fire Rescue, and City of Centennial Public Works all arrived at the scene quickly to control traffic and isolate the damaged section of pipe. Hundreds, if not thousands, of gallons of water forced its way through the rocky road base and pavement, causing the asphalt to buckle and create a sink hole. The end of Briarwood Boulevard was heaved up about a foot higher than its normal level. As workers from Centennial Public Works shut the water off in the damaged section of pipe, curious neighbors and residents from nearby homes came out to investigate all the activity. The kids in the crowd were able to splash around in the puddles as the last trickles of water made its way down to the creek. By Friday morning, Southgate Water & Sanitation District had the water main repaired; however, the street remained closed for the following two weeks as the City of Centennial scheduled a contractor to come out and repair the road base and pavement. Once the street was fully repaired, it was once again opened to the public with life resuming to normal in Walnut Hills.

## Coyotes in Walnut Hills

Coyotes have been very active in Walnut Hills this year. Many neighbors have had dogs and cats snatched from their yards when they were in their yards with their pets. These coyotes have little fear of humans. They have not responded to hazing. The attacks have happened at all times during the day and night--not just at dawn and dusk. People have also felt threatened by aggressive coyotes when they have tried to haze them.

Please contact Centennial Animal Control at 303-325-8070 if your pet is attacked or if you encounter aggressive/unafraid coyotes. (They will try to keep track of the number of attacks.) If you believe that the City of Centennial, South Suburban Parks and the Department of Parks and Wildlife should take more action to control the coyote problem in our neighborhood, please call Justin at the Department of Wildlife at 303-291-7131 and your city council representatives Mark Grotto at 303-754-3407 and Ken Lucas at 303-754-3367. This action should include professional hazing of coyotes and removal of overly aggressive/threatening coyotes. Never feed coyotes. If you see coyotes in yards or walking down the street, yell, wave your arms or blow air horns. Throw rocks if you can do it safely. Don't just watch them. We need to work together to take back our neighborhood.

If you have animals, do not leave them outside alone. A 6 foot fence does not protect your pets--coyotes can easily jump over it. Keep your pets close to you when you're outside---coyotes will grab pets and run. Coyotes might be hunting in a pack---even larger dogs cannot defend themselves against 2 or 3 coyotes. Cats should never be allowed outside. If you have new neighbors, tell them about our coyote problem.

From just the emails we have seen, we have had over 15 pets attacked and/or killed in Walnut Hills this year. That means the 'real' number is much higher. Don't let your pet become a statistic.

## Walnut Hills Elementary

Last month I was truly honored and humbled to be featured in your newspaper. WOW! Not in my lifetime did I think I would be in a newspaper. Thank you for welcoming me and making me feel at home. I am truly grateful.

I thought for my first article, I would share who I am as a leader with all of you. My core values that guide me daily are integrity, equity, safety, connections, teachers and kids. I work to empower all members of our school community and allow for voice in decision making. I work hard to increase trust, and build upon strengths of those I serve. As we work hard to increase student achievement, I will never ask my staff or school community to do anything I am not willing to do myself. I promise to give 100% of myself in this role. I work hard to ensure our school is equitable and just. I am committed to building strong, authentic relationships with all members of our school and community. Leading with integrity, never forgetting to listen and making decisions based on what is best for children is my commitment to you and our school.

Walnut Hills is a fabulous neighborhood school! The mission of Walnut Hills is to provide its students with the optimum-learning environment wherein all children can feel confident as learners and contributors. A school where all children regardless of race, culture, background, and/or circumstance are welcomed, loved, and served. Walnut Hills is committed to educating the head, heart, and hand of each child. Our goal is to prepare our students for middle school, high school, college and beyond.

I am extremely excited and honored to have been chose to be the principal of Walnut Hills. This is the absolute best work on earth! I look forward to meeting more and more of you. I personally invite all of you stop by and see firsthand what makes our school so special.

Warmly,

Teolyn Bourbonnie - Walnut Hills Principal

## Letter to the Editor

Thanks for your support

Over thirty years ago Diane Graham, who established the Walnut Hills Scholarship Fund, asked me if I would serve on the Walnut Hills Scholarship Board. I was honored to be asked.

I had worked on several scholarship programs during my thirty years as a College Counselor at Cherry Creek High School.

After a couple of years Diane asked me if I would coordinate the scholarship program. I selected a couple of residents to serve on the board with me. Joan Rowe, Eric Schultz, along with Diane and the help of my wife, Jan, became the board for over the next thirty years.

We set up a new and more usable application and process to apply for the scholarship and a better selection process for the winners. At about the same time, I was serving as treasurer of the Walnut Hills Civic Association, and suggested we give the residents of Walnut Hills a means by which anyone (everyone) could contribute to the Walnut Hills Scholarship Fund. This would supplement the valuable contributions of the WHCA and the W.H. Newsletter. The WHCA suggested we add a line for contributions on the dues form that was sent to all the residents of Walnut Hills.

This was done and the response has been overwhelming. Contributions came in with surprising amounts. The number of scholarships and the amount of the scholarships began to increase. It became apparent that the community felt that the scholarship program was something that they strongly endorsed and supported - A list of the scholarship contributors was in an earlier edition of the Newsletter. Needless to say this would have never taken place without the support of the Walnut Hills Community. It is evident that the community cares about its' young people and their education.

It is now time, after over 30 years, that I move on and turn the board over to an outstanding group of new board members; Scott Bess, Peggy Castle, Laura Klee, and Bill Philpott. Diane Graham and I will serve as exofficio members for a short time.

However I could not leave without giving my heartfelt thanks to the wonderful residents that live in Walnut Hills and have supported the scholarship program and to the outstanding students who have earned the scholarships. To my knowledge the Walnut Hills Scholarship Fund is the only neighborhood scholarship program that exists. We should be very proud.

Thank You Very Much,  
John Fuller

### 4-H Information Night for Parents and Youth October 6th

4-H builds leaders by offering youth opportunities to learn about agriculture, robotics, photography, animals and more. Interested youth and their parents are invited to learn about Arapahoe County's 4-H program by attending an Information Night 7 p.m., Oct. 6 at the Arapahoe County CSU-Extension Office, 6934 S. Lima St., Suite B, Centennial, 80112.

The program offers more than 60 general, home economics and animal project areas for youth ages 5 to 18. A project involves learning a new skill over several weeks or months through hands-on learning.

Some of the County's most popular projects are shooting sports, cake decorating, clothing construction, rabbits and dogs. Small animals can be raised in most cities and give 4-H youth who live in urban settings the opportunity to learn about raising animals. Cats are another new animal project and the cat project caps off with a Cat Show at the County Fair.

4-H also offers numerous STEM projects, such as robotics and rocketry. At the 2016 Colorado State Fair, Sanjana Senthil, a first year 4-H member, won Grand Champion for Robotics.

Children under the age of 8 participate in the Cloverbud project, where they learn about a variety of topics and have fun in a noncompetitive setting.

At Information Night, children will be invited to participate in a National Youth Science Day experiment and other activities while parents attend an information session. Parents will have the opportunity to ask questions and learn how to enroll their children.

Arapahoe County 4-H members are invited to show their completed projects at the Arapahoe County Fair each July and top exhibitors have the opportunity to show at the Colorado State Fair. The County also hosts optional contests throughout the year, such as cake decorating, speech demonstrations, creative cooks and a talent show. 4-H youth also participate in community service projects, fundraisers, conferences and camps that help to grow their leadership skills.

Currently, there are more than 300 members in Arapahoe County's 4-H program. Youth are welcome to join one of the 14 local clubs from Littleton to Deer Trail, or start a new club with a group of friends and an adult volunteer.

For more information or to receive a list of current 4-H clubs, please call the 4-H Office at Arapahoe County CSU-Extension at 303-730-1920 or visit <http://arapahoe.extension.colostate.edu/>. The annual fee for new members is \$50, which includes any number of projects with curriculum. The fee for Cloverbuds is \$40 and the volunteer fee is \$5. Enrollment is open until April 1, 2017.

### Arapahoe County Council on Aging Presents the Series: The Dynamics of Aging

This series includes monthly seminars on relevant topics concerning older adults. Whether you are an older adult, have an elderly parent, or act as an advocate on behalf of older adults, this series will be of interest to you.

The FREE October, November, December seminars are held on the second Wednesday of each month, from 11:15-12:30 at Buck Recreation Center, 2004 W. Powers Avenue, Littleton, CO 80120

#### October 12: Medicare 101 — A look at the different components of Medicare

This presentation focuses on Medicare coverage. Included too, is a discussion about resources available for people who are unable to afford medical or prescription costs (through low-income subsidy and/or Medicaid), and how these work together with Medicare. Additional topics covered are: Medicare enrollment periods, eligibility requirements, and extra benefits such as vision, hearing, and SilverSneakers, available through some health plans.

- Presenter from United Health Care
- Refreshments provided by: Littleton Chapter, Alpha Delta Kappa

#### November 9: Stryker Orthopaedics Summit Surgical

A physician from Summit Surgical will discuss arthritis of the hip and knee and the latest advancement is surgical and non-surgical treatment options. The physician will also introduce participants to Denver's FIRST Make Robotic Assisted Hip and Knee programs.

- Presenter from Stryker Orthopaedics Summit Surgical
- Refreshments provided by: Cherry Hills Assisted Living and Memory Care

#### December 14: The History and Mysteries of Christmas Carols

Join us for a special holiday-themed event, complete with hot chocolate, carols, and interesting stories about some of our most beloved holiday music.

- Presenter from South Suburban Parks & Recreation.
- Please register at [www.sspr.org](http://www.sspr.org) or by calling 303-347-5999 for the series or for individual presentations.

# Are your valuables protected?

Safe Deposit Boxes offer secure protection for your valuables and important documents.

Safe deposit boxes are a convenient place to store important items that would be difficult or impossible to replace. Your items are protected from theft, natural disasters, and being lost or misplaced.

Items to consider keeping in a safe deposit box include:

- Copy of your will**
- Copy of insurance policies**
- Titles to your house and cars**
- Expensive, rarely-worn jewelry**
- Birth certificates**
- Family heirlooms**
- Stock and bond certificates**

It's a cost-effective way to keep valuables private and safe. Only you know what's inside your safe deposit box. The pricing varies depending on size and rental fees are charged annually.

Contact us today at 303-713-3041 for safe deposit box availability and pricing.
